Purpose of use and legal basis for processing the data

Your personal data may be processed for the purpose of

- execution and administration of the contractual relationship with you and/or your company, in particular administration of procurement, contracting and deliveries, accounting, billing, and payment processing;
- granting you access to our facilities by issuing entry cards or by other means, if applicable;
- granting you access to our onsite infrastructure, such as machinery and laboratories, which entails processing of your access information and/or documentation of your data by Olin’s systems, and may include processing your personal data for work place safety reasons, such as incident reporting for future prevention, if applicable;
- granting you access to our IT infrastructure, if applicable, which also entails any services provided to you with regard to software, hardware and/or file management support through our help desks, IT services, and/or competent departments;

- administration of supplier relationships, i.e. enhancing the relationship through marketing activities, including but not limited to sending of product information and event invitations;
- listing you in our supplier databases, if applicable;
- environmental, health and safety legal and regulatory compliance, which may include processing data for the security of the working environment, maintenance of medical and sickness records, installing occupational health programs, keeping emergency contacts, among other related activities;
- audits, which may require that Olin processes your personal data for background checks, corporate compliance, regulatory and/or export compliance, which entails the fulfillment of legal tasks including investigating and responding to claims against the company and its customers and employees, handling complaints, internal audits, third party audits, including anticorruption screening, if applicable, as well as third party due diligence.

Legal Basis for Processing. Your personal data is processed in accordance with Art. 7 of the LGPD for (i) the performance of the contractual relationship; (ii) to the extent we are required to process your personal data in order to comply with a legal obligation; (iii) or for the purposes of the legitimate interests pursued by us or by a third party. In exceptional cases, to the extent the processing of your personal data is not strictly required to execute the contractual relationship with you, to comply with legal obligations or to pursue our legitimate interests, we may ask you for your consent to process your personal data. Finally, we may need to transfer your personal data, for the same purposes mentioned in the previous section, to another group company or to other recipients based on one of the three legal hypothesis listed above or under your free, informed and unambiguous manifestation.

Source of data. We have received your personal data mainly because you provided it to us or we have been collecting it or supplemented the data during the course of the contractual relationship with our supplier for whom you are acting as an employee, sales representative or in a comparable function. We may also receive personal data from industry associations, business networks or publically available sources, such as the Internet.

Recipients. Your personal data will only be accessible for employees of Olin and its subsidiaries, including external representatives that Olin engages, who are responsible for sales, customer service, technical service and development, research and development, legal, product marketing, strategic business lead and customer database administration. In addition, employees of Olin, who are responsible for providing and maintaining our IT infrastructure, and external IT service providers, who are engaged to assist with hosting, software services or any kind of IT services, may have access to your personal data.

Transfer. Olin will transfer your personal data to Olin in the US and other countries outside of the European Union where Olin's subsidiaries or external service providers are located. The transfer is based on the EU Standard Contractual Clauses or in case a service provider is certified under the EU-U.S. Privacy Shield on data processing agreements, or on a service providers approved binding corporate rules. You may request a copy of the EU Standard Contractual Clauses, the data processing agreements or the binding corporate rules by contacting Olin's Global Data Protection Officer.
